

UK Games Expo is an exhibition of games of all types including Board Games, Card Games, Role-playing Games, Miniatures and Computer gaming. The target audience is the general public, family groups as well as gaming enthusiasts. Games companies exhibit their games and visitors can sit down and play them as well as browse a range of trade stands. There are many tournaments and organised play sessions as well as costumed groups and children's competitions.

2009 will be the 3rd UK Games Expo and is held on the weekend of 5th to 7th June. On Friday 5th there will be open gaming rooms and role-playing sessions as part of our Friday Games day. These are held in the adjacent Strathallan Hotel. The main trade show and public event is on Saturday and Sunday 6th and 7th of June at the Clarendon Suites.

UK Games Expo hosts the release of a number of new games from across the genres. We also host National tournaments including the Mayfair Games Settlers of Catan Tournament, the UK Carcassonne Tournament, the Privateer Press UK Masters and a special Schools games tournament.

UK Games Expo holds awards for great new games in many categories. See website for details.
