- White foamex panels
- Nameboard with company name and stand number (26 character limit)

There are many additions elements that you can add to your shell scheme:

- Storeroom with lockable door
- Ability to have a wall mounted screen
- Shelving
- Different types of lighting to illuminate key areas on the stand

GRAPHICS

Perhaps the best way to make your space stand out is to add graphics to the shell scheme. We offer two types—inserted graphic panels and stretch fabric banners.

Panels can be taken away for personal reuse.

Cost: £165 per metre width (ex VAT)

Supplying artwork for inserted graphics
Please supply your artwork as high-resolution, print ready PDF files. Send in one file per panel sized at 966mm (w) x 2352mm (h) and include a 5mm bleed on all artwork.

Stretch Fabric Banners

Printed banners that are fitted to their own framework and then mounted on top of the shell scheme framework. This provides a seamless image across one wall.

Banners can be taken away with you for personal reuse.

Cost: £200 per metre width (ex VAT)

Supplying artwork for stretch fabric banners
Please supply your artwork as high-resolution, print ready PDF files. Artwork sizes will vary depending on the size of your stand. Please contact Marie for further details.
