

UK GAMES EXPO (UKGE) IS THE UK'S LARGEST HOBBY GAMING EVENT HELD ANNUALLY AT THE NATIONAL EXHIBITION CENTRE AND HILTON METROPOLE HOTEL IN BIRMINGHAM

WHY SHOULD I EXHIBIT AT UKGE?

The UK tabletop games market is worth around 500 million pounds and over the last decade has been growing steadily.

- UKGE allows you to engage directly with your audience, test designs, sell existing products, launch new games and apply for awards.
- UKGE provides the opportunity to meet and network with games designers, publishers, artists, the gaming media and distributors.
- UKGE supports the development of new designs and new designers and holds playtesting and pitching sessions and a programme of workshops.
- UKGE is the best place to connect with all aspects of the tabletop gaming world in the UK over three days.

"The crowd of attendees is among the most sporting and curious we've seen - they're happy to learn about new games, and approach them based on how they play! Our demos were full of laughs and great questions all show long'

Jen - Slugfest Games

"It was a great show very much enjoyed it."

Kevin - Game Toppers

THE EVENT GROWS

From its launch in 2007 attendance at UKGE has steadily increased each year and in 2019 UKGE attracted around 25,000 unique visitors comprising not just the hobby enthusiast, but new gamers and the family market. We also attracted 425 exhibitors.

During the pandemic we ran a virtual only show in 2020. We were then the first large scale games event anywhere in the world to run again in 2021 which whilst attracting a reduced attendance was widely praised as heralding the return of in person gaming.

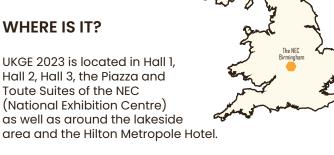

In 2022, UK Games Expo recovered to almost full size with 23,000 unique visitors and over 450 exhibitors.

We have already had indications that exhibitor demand will be high for 2023

WHEN IS IT?

The next UK Games Expo will be held from 2nd to 4th June 2023.

Hall 2, Hall 3, the Piazza and Toute Suites of the NEC (National Exhibition Centre) as well as around the lakeside

The NEC is the UK's best connected venue:

- It is the only UK exhibition venue with an airport and railway station on site near an intersection of the UK's primary motorways.
- It is easy to get to as 75% of the UK population are within a three hour drive time.
- There is ample easy parking with 16,500 car park spaces.

WHAT FEATURES ARE IN THE EXHIBITION HALLS?

The exhibition this year will be located in Hall 1, Hall 2 and Hall 3 of the NEC. The Halls comprise 35,000m2 of space. The halls will contain:

- The largest tabletop games exhibition in the UK with hundreds of exhibitors including publishers, retailers, artists, manufacturers and others.
- The Family Zone. The Family Zone: Staffed by specially trained demonstrators, designed to entertain families and consisting of these main areas:

The Lets Play Zone which focuses on games ideal for the family to play together.

The Children's Zone: an area where the focus is on games for ages 3 to 9.

The Children's Roleplaying Area: which runs roleplaying adventures for ages 5 to 12.

- Shop and Drop. Where attendees can leave their games while they go and explore the exhibition halls.
- Chill Zones. Areas where visitors can rest and relax.
- Bring and Buy. UKGE holds what we believe to be the world's largest games bring and buy. In 2022 over £200,000 was spent at the Bring and Buy with the profits going to charity and much of the visitors' proceeds recycled in the exhibitors' stands.

- The Tournament Hall. Housing tournaments for 16 to 400 players!
- The Board Games Library. The UKGE board games library consists of nearly a thousand board games that the public can borrow, play and return.
- Open Gaming Area. There will be enough space set aside in the exhibition hall and at the Hilton for 3,000+ gamers to sit and play at any one time, free of charge.
- Play testing. Dedicated and free to use space for budding designers to try out new game ideas and get feedback from gamers.

Steps 6 to 9

Take you through add on options you may wish to book at the same time as your stand, like sponsorships, marketing, advertising and demonstrators.

Steps 10 to 13

Look at what you will access via your exhibitor portal after we have accepted your booking. This includes furniture, power, submissions to the awards and booking space at the Show Preview.

Steps 14 to 17

Detail options you can order via third party companies such as the NEC or our show contractors.

This includes logistics services, internet, carpet and stand walling.

Steps 18 to 21

Deal with other questions exhibitors ask such as exhibitor passes, accommodation, car parking and access for setup.

BOOKING A STAND

1. CO-EXHIBITORS (MORE THAN ONE EXHIBITING COMPANY SHARING A STAND)

NOTE: Don't book a co-exhibitor if all you want are additional exhibitor passes. See Passes step 15 later.

If exhibitors elect to share a stand at UKGE, UK Games Expo Ltd needs to know and have full contact details for each company. The first company on the booking form will be known as the hirer and is solely responsible for all invoices incurred. Each additional company will be known as a co-exhibitor. It is essential that UK Games Expo Ltd is aware of every company participating in the event. There is a £25 + VAT administration fee for each co-exhibitor payable by the hirer as part of the stand fee. Each exhibitor and co-exhibitor will be listed on the UKGE website as well as in the programme.

Example: If you are the only exhibitor then this doesn't apply. If you book a stand and allow two smaller companies to exhibit on that stand space, then each additional company will be required to submit their company details and you, as the hirer, book the stand but also give us details of co-exhibitors. Please download and fill in co-exhibitor forms for each co-exhibitor from the UKGE website.

2. YOUR STAND

STARTER STANDS (Note: Starter stands are NEVER placed in Superior Space. Starter stands are NEVER corners, endcaps or islands)

If you are new to exhibiting at UKGE and wish to test out if UKGE is the best place for you to attend, a starter stand may be for you. The starter stand is a set size and configuration and its position is decided by UKGE. However, it comes at a discounted price.

Please note that starter stands:

- are for new exhibitors who have never exhibited with us before.
- are for exhibitors who want a single 2mx2m, 2mx3m or 3mx3m stand only. That is 4m2, 6m2 or 9m2
- · can not be combined with other stands.
- are placed at the discretion of the organisers.
- are priced at £40 per square meter.
- Example: A 2m x 2m Starter Stand will cost £160+ VAT

BOOKING A STAND

2. YOUR STAND

STANDARD STANDS

When choosing your stand size, you may take as much space as you are happy to pay for, but the minimum stand size is 2mx2m = 4m2. Stands are charged at £59 per square metre.

Example: A stand that Is 5mx2m = 10m2 is calculated at £59 x 10 = £590 + VAT.

3. STAND CONFIGURATION

Stand configurations are based on the number of customer facing sides that the stand has. If you require a stand configuration other than standard then a supplement is added to your cost.

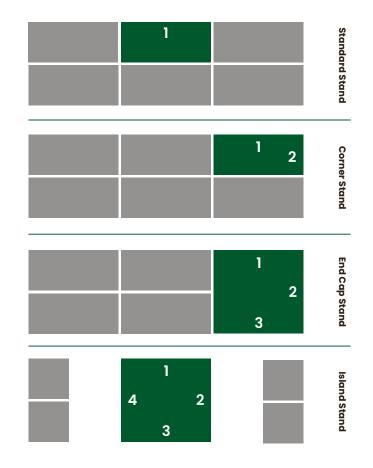

- Standard stand with one customer facing side = zero supplement
- Corner stand with two customer facing sides = £175 supplement
- End cap stand with three customer facing sides
- = £440 supplement
- Island stand with four customer facing sides
- = £1100 supplement.

For Example: A 5m x 2m standard stand attracts no supplement. It costs £590 + VAT as detailed in the stand size example.

A 5m x 2m corner stand will attract a £175 supplement. £590 + £175 = £765 + VAT

A 5m x 4m end cap stand will attract a £440 supplement. £1180+ £440 = £1620 + VAT.

A 5m x 4m island stand will attract a £1100 supplement. £1180 + £1100 = £2280 + VAT.

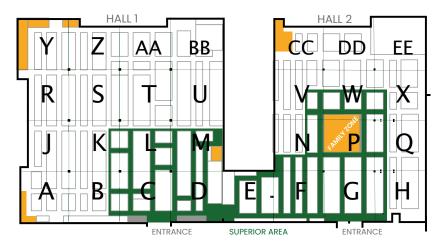

BOOKING A STAND

4. LOCATION

Certain areas of Hall 1 and Hall 2 will naturally have greater footfall or places where people will congregate. This gives greater opportunities to stands in those areas e.g. around the Family Zone or close to the main entrance. These areas are designated as superior areas and stands placed in these areas cost an additional £15 per square metre. A stand is considered in a superior area if any part of the stand is in a superior area.

When booking a stand you may also indicate a preference for a part of the hall by adding the grid square to the booking form. See map of Hall 1 and Hall 2.

For example, a 5m x 2m corner stand = £765 + VAT but in a superior position this would cost an additional £150 + VAT = $10m2 \times £15$ which is a total of £915 + VAT.

5. BOOKING YOUR STAND

- Preliminary enquiries should be made in person with us at shows we attend, online via our website, or by email to richard@ukgamesexpo.co.uk. If you need to speak on the phone contact us on 01562 69391.
- Once an agreement has been reached you will be issued with an invoice.
- The deposit (25% of your stand fee) must be paid within 28 days of issue of the invoice to secure your stand.
- If a deposit is not received, we will email you to inform you that we will be cancelling the order. Once this is done you will have to rebook your stand. This may mean a change of location.
- We can accept payment via bank transfer, sterling cheque or Transferwise.

Some forms of payment attract additional fees due to bank charges. All these details will be on your invoice issued after you book your stand.

This publication is free to every person who attends Expo and is produced as a souvenir.

We have found that many people who come to Expo keep the programme and many advertisers find they are still gaining new customers long after the show has finished. Adverts should meet all artwork specifications although we are happy to work with you if this is something you have not produced before.

Adverts are an effective method of reaching all the convention goers and raising awareness of your brand amongst attendees.

11. POWER

CHANGES SINCE 2022

We no longer offer 500w or 750w power options. Minimum power install is 6A (1500watts).

Exhibitors may agree to share power but are responsible for arranging this
themselves and placing a mains single order.

Cost of Power

THIS SECTION EXPLAINS
FACTORS TO CONSIDER WHEN
REQUESTING POWER FOR YOUR
STAND.

- Power supply costs relate to the size of the mains installed and the number of sockets required.
- The minimum size mains we can install in a block is 6A which can supply 1500 watts power. A 6A mains costs £287+vat to supply.
- Each socket we add to the mains supply costs £100+vat. Sample Power Installation 6A mains and 1 socket = £287+£100 = £387+vat.

IF YOUR POWER NEED IS 1500 WATTS OR MORE USE THIS CALCULATION:

If you need 1500 watts or more we will need to place a suitable sized mains in your area.

- 6A Main (1500watts) costs £287+vat.
- 10A Main (2400watts) costs £428+vat.
- 16A Main (3800 watts)
 costs £568+vat.
 Sockets are an additional
 £100+vat each per socket.
 Sample Power Installation 16A
 mains and 3 sockets =
 £568+£300 = £868+vat

HOW CAN YOU REDUCE COSTS IF YOUR POWER NEED IS LESS THAN 1500 WATTS?

DO YOU REALLY NEED POWER?

The first question you should ask yourself is do you really need power? Power installation costs at the NEC are significant.

If your power needs are confined to powering a phone charger, card reader or even a laptop then look into battery pack options as these can often be far less costly.

SHARE POWER

Many exhibitors may not need 1500 watts of power. For example 500 watts and a socket is quite sufficient for charging a phone and a card reader. Consult device manuals for power draw.

If your power needs are less than 1500 watts you may find you can save money by sharing a 6A mains (1500 watts) with other exhibitors in the same block. We advise that you make contact with other exhibitors in your block.

Note that in this case one exhibitor is responsible for placing the order and for paying all the costs of the mains as well as their own sockets. Other exhibitor participating in power sharing just order and pay for their own sockets. All exhibitors must add a note to their power order making it clear who is ordering the mains and which other exhibitors are participating

HOW MANY SOCKETS ARE NEEDED? Whilst each exhibitor will need at least 1 socket, we advise you make use of 4 way extensions to add sockets rather than ordering multiple sockets at £100 each.

OTHER NOTES ON POWER

The power is shut off I hour after the exhibition halls close so if you wish 24 hour power please inform us. 24 hour power adds a 20% surcharge. Power is ordered through your exhibitor portal which you will be able to access after your stand order is placed. For enquiries about power email finny@ukgames.co.uk

DEADLINE TO ORDER POWER IS 29th April 2023.

Late orders

After this deadline you can order power at the show on Thursday 1st June. Note: The costs will be higher than ordering in advance.
