

Show Preview Application form for Exhibitors requesting tables

We will be holding a Show Preview on the evening of Thursday 31st May 2018 for two hours. This will be at 18.00 to 20.00 pm. During this time Press, Industry Buyers, Distributors and Retailers can gain access (for free) to the Hall 2 tournament and open gaming space. This area will have tables laid out and Exhibitors who wish to bring new games and products to show can reserve a table to lay out their wares. This is an opportunity for exhibitors to highlight their key games on show at UK Games Expo to interested Media and Retailers. We expect to have 200+ Press, Industry Buyers, Distributors and Retailers present. After the preview we will allow open gaming in Hall 2 until 23.00.

Notes

By default, one table will be allocated to each exhibitor who applies. We will consider an additional table if you have more than two games to show (in which case please send in two forms). Games on show should have been published at or in the 12 months before UK Games Expo or be an advanced prototype or expansion. We will share information you provide with Press, Industry Buyers, Distributors and Retailers in the documentation for this event.
